

## About us

**Zan Apparels** has been one of the largest exporters of knit and woven garments in Bangladesh since 2013. Our success comes from our focus on *competitive pricing, top-notch quality, and on-time delivery*. We offer a versatile collection for men, women, and children that appeals to all tastes, featuring styles that range from timeless classics and everyday essentials to the latest fashion trends.

At **Zan Apparels**, we believe in making luxury accessible for everyone. Our commitment to providing comfort and quality has earned us the trust of importers worldwide, and we continue to grow by exploring new opportunities to serve our customers better.

## Why Choose Zan Apparels?

In today's competitive market, **Zan Apparels** stands out by consistently delivering *great value* in terms of price, quality, and delivery. With over a decade of experience and a strong, capable management team, we've established ourselves as a reliable partner in the garment export industry.

## What We Do

**Zan Apparels** is a 100% export-oriented company specializing in KNIT, WOVEN, and SWEATER garments. We produce with a mix of locally and internationally sourced fabrics and accessories. Over the years, we've successfully manufactured almost every type of knit and woven garment imaginable.

## Our Production Capacity

Thanks to our experienced management team and skilled workforce, we are proud to have an impressive annual production capacity, including:

- 1 million pieces of polo shirts
- 1.5 million pieces of T-shirts
- 500,000 pieces of woven garments

We take pride in delivering high-quality products on time for our globally renowned buyers.

**Zan Apparels:** *Your trusted partner for fashion and quality.*

### Company Goals of Zan Apparels

At **Zan Apparels**, our primary goal is to deliver *high-quality products* that consistently meet or exceed our clients' expectations. Here's how we ensure excellence:

- **Dedicated Quality Assurance:** Our experienced quality assurance team helps select and develop manufacturers who meet our standards and adhere to our policies, principles, and guidelines.
- **Monitoring & Communication:** We actively monitor production processes and maintain clear communication with buyers and production representatives to ensure transparency and quality at every step.
- **Certified Facilities:** We collaborate with factories that are **Accord, Cedex, Oeko-Tex, and BSCI certified**, ensuring compliance with global standards.
- **Advanced Capabilities:** We handle both regular and customized orders with precision and expertise.
- **Comprehensive Inspections:** Every product undergoes meticulous quality checks at multiple stages, including cutting, sewing, ironing, and packing, rather than relying on random checks.
- **Modern Technology:** We continually invest in the latest technology to improve efficiency and quality.
- **Merchandising Expertise:** Our skilled merchandising team ensures smooth communication and timely execution of orders.

### Our Vision

To become the *most preferred garment sourcing agency* globally by maintaining our reputation for credibility, integrity, and commitment to quality.

---

### Our Mission

1. **Tailored Solutions:** Deliver customized solutions to meet the specific requirements of our global clients, achieving consistent quality and on-time delivery through a team of dedicated professionals and trusted vendors with world-class facilities.
2. **No Compromise on Quality:** Operate with unwavering focus on quality, delivery, and profitability.

We strive to provide efficient and effective sourcing solutions that drive our clients' business growth.

---

### Our Commitment

We take pride in providing *hassle-free service* by:

- Responding promptly to customer inquiries and questions.
- Offering competitive pricing with swift action and service.
- Monitoring each step, from material selection to final packaging, with our quality assurance team.

- Keeping clients informed throughout the production process to avoid last-minute surprises.
- Conducting a final inspection before loading to ensure compliance with agreed standards.

Zan Apparels is your partner for *reliable service, premium quality, and unmatched dedication*.

We handle all types of woven fabrics, including:

- Denim, Twill, Poplin, Canvas
- Corduroy, Linen, Sateen
- Rayon, Taffeta, Flannel

### **3. Heavy Knit Fabrics:**

For sweaters, we source high-quality fabrics locally and from India and China, using various gauges and Jacquard knitting machines.

---

## **Printing, Washing & Dyeing Expertise**

We excel in various printing, washing, and dyeing techniques, offering customization for every design need:

- **Printing:** Photo Prints (Grey Scale, Color Scale), Foil, Puffy, Flock, Sublimation, and Stone Work
- **Washing:** Acid Wash, Burn-Out Effects, Tie-Dye

With our wide variety of fabrics and finishing options, Zan Apparels is equipped to meet all your garment production needs.

## Vendor Selection Process at Zan Apparels

We carefully evaluate factories based on the following criteria:

- Product range and quality
  - Production capacity and facilities
  - Financial capability and technology adoption
  - Workforce and working conditions
  - Managerial efficiency
  - Overall quality policies
- 

## Our Objectives

- Exceed customer expectations with high-quality, timely results.
  - Hire and develop skilled professionals to bridge cultural, commercial, and technical gaps.
  - Continuously improve processes for faster response times and consistent quality.
  - Eliminate redundancies during product development and production to save costs and enhance efficiency.
  - Provide information systems that prioritize orders requiring attention, allowing clients to focus on value-added tasks and risk management.
- 

## Inquiry Service

- **Pricing Response Time:** We typically provide pricing within **4-6 hours**. For urgent needs, we offer **on-the-spot pricing**.
- **Customer Input:** A target price from the customer helps streamline inquiries and align with current market challenges.
- **Strategic Merchandising:** We use a strategic approach to meet customer expectations and market demands, ensuring competitive quotations.

At Zan Apparels, we prioritize collaboration and efficiency to deliver unmatched service and satisfaction.

## Sampling Plan at Zan Apparels

We believe that "**a sample is the heart of the readymade garments business.**"

- **Dedicated Sampling Team:** We have a skilled team solely focused on sample production.
- **Free Sampling:** We provide free samples to our valued customers for evaluation.
- **Quick Turnaround:**
  - Knit items: **7 days**
  - Woven & Sweater items: **15 days**
- **Timely Delivery:** We ensure samples reach the buyer as quickly as possible

## Order Progress Process

1. **Order Development:** Begins after price confirmation.
2. **Color Lab-Dip & Sample Approvals:** Initiated promptly after collecting features.
3. **Production Start:** Once customer instructions are finalized, production commences without delay.

Zan Apparels is committed to delivering high-quality samples and seamless order execution to meet client expectations.

## Excellence Declaration at Zan Apparels

### 1. Commitment to Quality:

We are dedicated to creating an efficient and productive work environment that ensures the highest quality standards.

### 2. Dependability:

With advanced production technology and timely merchandising and shipment, our buyers can confidently rely on us.

### 3. Buyer Satisfaction:

Customer satisfaction defines the standard of our product quality, and we strive to exceed expectations.

### 4. Environmental Consciousness:

We maintain a healthy environment for both our employees and the broader community through eco-friendly operations.

### 5. Social Responsibility:

Our commitment to employee welfare reflects our dedication to social responsibility.

---

## Focus on Fabrics & Products

- **Fabrics:** We stay updated on consumer preferences for color, texture, and durability, ensuring modern and high-quality fabric offerings.
  - **Products:** We prioritize quality and back our products with exceptional customer service. Our technical quality control team ensures consistent excellence in merchandise.
- 

## Inspection & Delivery

- **Inspection:** We monitor production daily, ensuring every detail meets quality standards and final inspections eliminate any errors.
  - **Delivery Timeline:**
    - **General Fabric Items:** 60–80 days
    - **Imported Textile Items:** 90 days post-L/C receipt
- 

## Shipment Management

We oversee shipments with dedicated escorts to ensure safe delivery to forwarders, maintaining complete reliability for our buyers. At Zan Apparels, our excellence lies in our commitment to quality, dependability, and customer satisfaction at every step.

## About Us:

We have now sourced over **10 factories** for Knit, Woven, and Sweater garments. We also operate our own print and embroidery factory, along with a dedicated sample-making room to fulfill customer requirements. Our fabric sourcing is both local and international, with high-quality fabrics meeting the diverse needs of our buyers.

Our experienced team of professional merchandisers oversees every order point from start to finish, ensuring smooth communication and effective management of production. Additionally, we have a dedicated **Quality Control Team** that works day-to-day to ensure all production standards are met.

## Our Achievements:

In the past **8 years**, we have not encountered any significant complaints from our clients regarding quality or delivery issues.

Please feel free to reach out if you need further details or clarification! We welcome any inquiries and look forward to your visit to our facilities for an assessment.
